Profile

I am a web developer and UX/UI designer with solid knowledge in HTML, CSS, Tailwind CSS, Bootstrap, and Figma. Although I don't have prior work experience, I'm highly motivated to learn, adapt, and grow within a company. I'm eager to contribute my enthusiasm, creativity, and commitment to impactful projects.

Education

- Introduction to Web Development 1 - Google Activate (Jul 2022)
- Introduction to Web Development 2 - Google Activate (Nov 2022)
- Complete CSS - Udemy (2023)
- Manual QA Testing from Scratch - Desafío Latam (Apr 2025)
- Introduction to UX/UI Design - Desafío Latam (Apr 2025)

Technical Skills

HTML5, CSS3, JavaScript, Tailwind CSS, Bootstrap, Figma, Slack, Jira

Soft Skills

Teamwork, effective communication, proactivity, curiosity, and commitment. I'm always seeking to improve processes, learn new tools, and bring value with a positive attitude.

Languages

Spanish: Native | English: B2 Level
